

February 14, 2000

To: Jim Christiansen and Mo Blam
From: Kerry Gee 
Subject: Richardson Flat Work Plan.

Attached is a draft discussion copy of the Work Plan for Richardson Flat. Keep in mind that it is a Draft. There are things in here that still need to be reworked. For example, there are still references to United Park doing the evaluation and making the decisions. Please recognize that there are still some of these types of statements in this document and it will be revised.

I hope it will let us have a good meeting tomorrow.
